

BIOGRAPHY

UNITED STATES AIR FORCE

CAPTAIN KEVIN M. NEWTON

Captain Kevin M. Newton is an Assistant Professor of Aerospace Studies and Operations Flight Commander of Air Force Reserve Officer Training Corps Detachment 150 at the University of Florida, Gainesville, Fla. He is responsible for leading the detachment's Professional Military Training for Air Force and Space Force officer candidates.

Capt Newton received his commission through Officer Training School in June 2017. As a Logistics Readiness Officer, he led in a variety of functions across the logistics career field, including Assistant Director of Operations, Installation Deployment Officer, and Fuels Management Flight Commander for the 55th Logistics Readiness Squadron at Offutt AFB. Prior to this, Capt Newton served in several roles in enterprise supply chain management at the 618th Supply Chain Operations Wing and in the Installation Deployment Readiness Cell at Scott AFB. Capt Newton and his wife, Brett, have four children, Aidric (11), Clark (8), Solomon (6), and Isla (1).
